The Crystal Sea Discussion #9: The Ascension of Elijah... His Role in the Mystery of the Kingdom

The Constitution of the New Testament records that we are promised the gift of Righteousness and Peace and every thing that pertains to life and Godliness. What we have, thus far, remembered of the gifts, are but a drop compared to what is promised. I invite you to come with me to where the Crystal Rivers of Life meet in the Crystal Seas of Potential, where we together can explore the memory of our bill of rights in our Corporate Sonship, where Hope becomes the Reality in our Spiritual Earth experience.

First: Let's take account of some things we can call facts.

1. We know that we are Spirit. And we know that Spirit is energy that can be reduced and separated into sub-frequencies. Everything has identity by its frequency.
2. We know that Jesus Christ wanted us to understand that we are, in Spirit, one with Him and one with our Father. And He said that we, in our oneness, should expect to do greater things than He did. Oneness means that we are all spirit.
3. We know that our Earth and our physical body are formed of invisible atoms and sub-atomic quantum molecules. These elements make up the periodic table. And we know that the elements in the periodic table and in our body are an interplay of patterned frequencies.
4. We are aware that our Earth is surrounded by a band of atmospheric water particles that protect us from the harmful ultra violet rays of the sun. This fact was symbolized in the Scriptures as a nimbus cloud that covered the Tabernacle and the Temple.
5. In like manner; our earth suit body is surrounded by a protective spiritual aura, symbolized in the Scriptures as a 'cloud' of witnesses.
6. It is the Spirit that giveth life, to our physical body. And it is the Spirit that makes us free.

A note in a bottle...

***Enoch has a
spiritual Army.
They are part of
our auror aura.***

*I will continue in these articles to factually demonstrate that the aura around our body is the spirit mechanism that gives life to our body and is the **spirit** **conscious** presence called **Soul**. Jesus said; "For what is a man (or woman) profited, if he shall gain the whole world, and lose his own soul." We need to know what and where the soul is. In this article there is a hint as to where and what this soul is.*

I have suggested in earlier articles that Jesus revealed a Mystery of the Kingdom of Heaven to three of His special students when He showed them His cloud, and with Him in His cloud were Moses and Elijah. I have suggested that the three (Moses, Elijah and Jesus) are an equation of Heavenly proportions.

**We are now considering Elijah (ELYH).
His name in Hebrew implies that the
Corporate Creator God (ELOHYIM)
is present and resident in our breath.**

(In a nut shell), **Elijah's** ascension (2nd Kings 2:6-12) illustrates **to the believer**, the importance of seeing God's '**mystery**' provision of a spiritual support Army, in a higher Quantum Spiritual realm. Elijah was a living witness to Elisha of **Enoch's Army of Thousands who are there** to support him in his quest for The Kingdom. The Spirit is calling our attention to their assigned availability. Elijah told his disciple Elisha, "**If you see me go up**" (or if you SEE that there is an invisible Army of witnesses in a higher frequency dimension who are there to assist you), "**your wishes will be granted.**" You must believe that 'they' are there and they have been placed there as re-enforcements when you need help. They are part of God's Spirit 'Angelic' Army sent forth to minister for God's foot soldiers who are establishing a Kingdom beachhead (**Hebrews 1:13-14**). I believe **Jesus walked in that awareness daily**. I further believe that He wants us to be aware that **in oneness with Him, that same provision is available to us**.

a Note in a bottle...

***We cannot win
the flesh war alone,
by our self.***

You may ask; "**Where did this cloud Army come from?**" Let's talk about that. **They are called "Enoch's Ten Thousands"** in Jude 1:14. In Genesis, Enoch was the seventh generation from Adam. He had a son whose name was Methuselah, who was alive when Noah (**NCH**) was born and apparently lived until the time of the flood 969 years later. **Noah found grace: the power of his words.**

The Books of Genesis and Hebrews tell us that Enoch was righteous; he walked in oneness with God and he pleased God. (Righteous means: he knew his right to be called Son of God, or he knew that he had the RIGHT to be the Son of God.) Our Bible and also The Book of Jasher tells us that he lived **365 years** and he ascended, along with tens of thousands of his church into the higher frequency realms of quantum. We are the first generation to receive insight of the spirit level of life called quantum. Think about the significance of **365** as a symbol, at a time when people counted time using **354-day lunar years**. He must have known something that they didn't know. And he was recruited as the leader of those who had overcome the flesh and were put in place as a 'Church' in heaven as our spiritual 'support team' Army.

We need them and **they are our personal ‘help’** against **King Ego** of the flesh realm. They have been positioned for us since Enoch (Hebrews 1:14).

Enoch’s name in Hebrew is **Chenoch** or **‘Ch N ch’**, which is actually in the verbal form of the three letter foundation of every Hebrew word, and, the verbal consonant structure of all Hebrew words calls for action. (Isn’t that right, Alan?) Now watch and consider this; the Hebrew foundational form of the action word **‘Grace’** is **ChNn**. (In English it sounds like **Chnan**.) **Grace is CHN** — **Enoch is CHN**. **The Hebrew root forms of Enoch and Grace are inner changeable**. In another word; **Grace** is an activity of the nature of GOD. In the upper (higher) spiritual quantum realm that also implies a connection to Enoch’s cloud.

a Note in a bottle...

***The power of
‘CHN’ is a hidden
Secret Weapon
for BELIEVERS.***

I believe this is a truth pre-recorded in the frontal lobe of the mind of the Christ b-rain, in us. And in the Spirit, we understand that we are an inner-active, codependent Nimbus b-rain cloud Ministry. Enoch’s Army cannot go into perfect completion without us and we can’t go in before them. They are a functional part of us, and we are an intricate part of them. Did you ever hear the song “God’s got an Army, marching through this land”? We are the Earth part, the foot soldier Infantry part of Enoch’s Army (Jude 1:4).

A Note in a bottle...

Chenoch and his army of ten thousands were recruited by our Father to be a spiritual army of all ‘believers’ backup support. Let me tell you; I believe that ‘The Cloud’ was Enoch’s Army. I further believe that ‘they’ are still with us today.

I propose that Enoch (*ChNch*) and his Army are part of our ‘cloud of witnesses.’
Think about this: **“For by Grace are you saved....”**

The invisible Enoch Army is a functioning part of **God’s Grace (*Chnan*) Plan**. They cannot get involved in our warfare until they are called. I am persuaded that ‘our prayer language’ was instituted to be the request form or signal for re-enforcements. Try it. It works for me. **“The secret things belong to the LORD our God [Eloyhim]; but those things that are revealed [belong] to us and to our children for ever, that [we] may do all the words of this [covenant] law”** (Duet. 29:29). Train up a child in the way he or she ought to go. Does that fit? Our Christ connection to Enoch is being revealed.

A Note in a bottle...

Important note: “Come up higher.” Higher means a ‘higher, faster frequency.’ Our physical, visible Earth realm is a slowed down spiritual frequency. The only difference between higher and lower is the frequency of the vibrations. Our body and brain are a slower, lower frequency than the Spiritual. Sleep is required because our Spirit Soul is drained of energy in our ‘slowed down frequency’ (i.e. slowing down your movement by dragging your feet uses more energy). Sleep is required to re-charge our Spirit energy. We feel refreshed because our brain gets more energy from our Spirit.

The Angel’s message to you is; **‘Come up higher.’** Up higher is the frontal lobe of our brain and is the functional ‘cloud’ organ of ‘the mind of Christ.’ That is: when the Christ oneness consciousness has replaced the ‘individual’ human ‘what’s in it for me’ Ego consciousness, we will understand that we have moved up higher because of this insight. Together we all are like individual cells in a Spiritual Corporate Body. The Cross of Christ (where we died, in Him) is the ‘written documentation’ that we chose to D, double D die; ‘die’ to the rule of blood fed carnal Ego.

It is recorded in the Heavenly Sanhedrin Court; Christ shed His untainted totally innocent blood as evidence that we all, in Him, are totally innocent. For OUR life was hid in Christ, with God. When Christ, who is our life, shall appear **“then shall we also appear with Him, in glory”** (Col. 3:3- 4). The Greek word ‘appear’ is **‘phaneroo’** (Greek #'s 5316, 5318, 5319) which means ‘lighten, shine, be manifest externally.’ We have always been ‘in Him’ and belonged to His Elohyim family of Gods. (Psalms 82:6 and John 10:34). ‘Vav’ or WOW, Oh WOW! It is beautiful.

In the Hebrew mystery or secret language, you cannot separate the Scriptural portrait of Enoch from the definition of Grace. This gives a new insight to the scripture **“For by Grace [or by the Enoch support] are you saved through faith; and that not of yourselves: it is the gift of God”** (Ephesians 2: 8). **There is more, much more to ‘the Gospel of salvation than going to Heaven; as Jesus prayed Father: “Thy Kingdom come in Earth, like it is in Heaven.”** The Plan is for the Kingdom of God becoming Heaven in our Earth continually. That is Earth’s salvation and it is Father’s Plan.

What does He mean; “like it is in Heaven?” In Heaven everything is in Oneness. In this Earth world there is duality and discord. In Heaven we are all one. Jesus said, we are in this world but we are **OF** the realm of Oneness. Get this! In this world there is a heaven and there is a hell. In Heaven there is only Heaven. That is where we, in Spirit, are **OF**.

The operation of Grace was a pre-ambule to salvation, one thousand years before Moses introduced the Law of sin and death, which we are told in Galatians 3:19 ‘was added’ to God’s Covenant with man. The offering of animal sacrifices was the spirit’s effort to show mankind his animal conscious condition. Mankind was ensnared in a carnal prison condition. And man was shown THE WAY to give up their animal thought process in order to become a Spirit conscious people. **This was one facet pointing to God’s Plan for the Cross: to release mankind from the carnal control of the brain.**

This is necessary BECAUSE: the flesh or natural mind cannot hear the Spirit of God’s spirit message — it is Spirit understood (1Cor. 2:14). **You MUST SEE this**, for Christ plainly said that Sacrifices and Offerings did not please God; but a body God has prepared for us to present to Him as a living sacrifice; so that the invisible God can become visible through His sons, in our body. **“Present your body, a living sacrifice, holy [wholly] acceptable unto God.”** This is your Spirit’s work.

Now, BACK TO THE MOUNT OF TRANSFIGURATION. Transfiguration is important because it introduces to us the metamorphic ‘power’ of transformation; **“Be ye transformed (*metamorphoo*, #3339) by the renewing of your mind.”** *Metamorphoo* is the descriptive word used to describe the change of the form of an earth bound worm into a butterfly.

Jesus said that there are some here who will not die before they see the mystery of the Kingdom of Heaven come in power (Matthew, Mark, Luke). The truth of the Kingdom that Peter, James and John saw was that **the Kingdom of Heaven was then, and is now, in another dimension.** The secret or mystery, hidden in this event, was that the three disciples elevated to a higher level of awareness (symbolized by the high mountain apart) could actually ‘see’ the Spiritual Dimension. **They actually had a spiritual quantum experience two thousand years before quantum was introduced as a science.** They saw two people (Moses and Elijah), who had been invisible to this three-dimensional world for about forty generations. **Here in this revelation they represented Jesus’ support team, his ‘cloud of witnesses.’ Jesus apparently lived each day in that quantum consciousness.** The disciples saw what Elijah promised Elisha: If Elisha saw the higher frequency realm in operation, his requests would be realized. Why do you think Father is showing this spiritual truth now? I believe that we need our support team. Peter, James, and John saw ‘inside’ the spiritual cloud aura of Jesus where the perfect Plan of God was in progress.

We have seen in the Crystal Sea articles #7 and #8, that Moses was responsible to ‘set in stone a Law’ as a witnessed Testimony. The absoluteness of the ‘set in stone Law’ showed that the carnal, animal flesh nature absolutely does not have the capacity to understand the Law of Spirit Life. It actually is blocked out of the spirit frequency of God’s Life. It is an enemy to the Father’s Planned Spiritual Kingdom. Moses’ Stone Law revealed and condemned the human

consciousness of sin (the idea of separation) from the Spirit Presence of man's Creator. That is, in the animal flesh level bondage, man's 'natural mind' is God's Spiritual enemy. The 'Law set in stone outside of man' was replaced by the all inclusive, revolutionary activity revealed at the 'Cross of Christ.' **“And I will give them one heart, and I will put a new spirit within you... I will take away the stony heart out of your flesh, and I will give you an heart of flesh”** (Ezekiel 11:19, 36:26). As long as religion proclaims two Laws and two hearts, man will remain disillusioned and delusional in a duality condition. **“The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light”** (Matthew 6:22). In our Spirit awakening, our “single eye” is the commandment that brings Jesus' Covenant Friends into Oneness with Him and with our Spirit Father.

Moses' part in the spiritual development of the New Testament Logos of Life was to establish 'in stone' that man's ruling flesh nature must be dealt with by the death provided by the Cross. When the law of flesh rule is eliminated and when the N.T. Spiritual language of Rhema (the still small voice) replaces inherited animal instincts, we are released from human family propensities.

Organized religions teach that the brain of Adam's animal, flesh nature can be converted. That is not possible. The Spirit man must believe the O.T. message of death to the animal rule and the N.T. provision of the power of the Cross; we must give up the appetites of the Ego driven, animal level brain and embrace the greater potential of the spirit conscious fore brain. When the Rhema instructions become flesh in our body, we become what Jesus was, the Logos of God's Plan.

The Cross of Christ portrays that the 'death' (the shed blood) and burial of the earth formed Adam was revealed by the all inclusive Quantum event that included all those **‘In Christ.’** Embracing that experience as our own **‘in Christ condition’** precedes the resurrection of a **‘new creation’ Adam (man)**. Most religious activity is based on improving, cleaning up and making the 'old' Adam acceptable. **The new Spirit person must be aware of our original spirit nature. It is important to ‘remember’ (by the Spirit) that we were Spirit before we were born into a ‘flesh’ body. When we were given a sense ruled flesh body, it was so powerful that it caused us to forget our Spirit life consciousness. When we remember and return to our true Spiritual origin we fulfill our earth assignment and begin the process of becoming the Christ, I Am.**

Let me try to put things in perspective; the Church does an admirable job of trying to fix Adam. As it relates to earthy and political and monetary Babylon, the religious Church is today what the Temple Priesthood Worship was to Rome in Jesus day. It was allowed by Rome to keep the people in civil order. It was also allowed as long as it was a self-sustaining financial program. However; our Scriptures plainly teach that it is Father's Plan to put in place His

Kingdom on Earth. This requires ‘that we all come to a like manner, or equality, of individual faith and develop together into a perfect manifestation of Christ’ (Ephesians 4.10-15). This can’t happen as long as there is a structure of hierarchy in the Church where some are considered in full time Christian ministry and others are part time Christians. Our Fathers (Elohyim) clearly understood the mission impossible dream, that the flesh man manifests God’s Spiritual Kingdom. The Planners remedy for the helpless and hopeless duality of the dominant flesh condition in man was that a Spiritual Support System would assist in the war between the flesh and Spirit; enter Elijah.

The Prophetic story of Elijah and his disciple Elisha, reveals to **our Spirit** the invisible ‘**Spirit**’ **Army** of support in the HIGHER invisible quantum dimension.

Since GOD is Spirit, I am aware that man cannot teach Spirit. I trust that God’s Spirit will communicate to your Spirit the Compassionate Love encapsulated in my words to your heart.

Next time!: It is fitting that Crystal Sea # 10 will be about Jesus. The tenth letter in the Hebrew alphabet is the *Yod*, formed like a comma (‘), and represents the presence of God. I am filled with excited anticipation and expectation that the Spirit will crescendo the third part of the equation of the Kingdom of Heaven, which is encapsulated in Jesus, the Christ.

A Note in a bottle...

There is ONE GOD and HE has ONE nature; HE is Spiritual LOVE.

Until then... Polly, Dianne and I appreciate you continued interest. *john r calvin*
